Welcome

Enjoy the experience of choosing a wine from our elite selection.

Deski Spice

is proud to offer our customers and their guests a wine list with a true international flavour.

The United Kingdom is perhaps the only European country to enjoy such a variety of wines from the major wine making countries of the world.

We are dedicated to providing our customers with the latest dishes and to keep one step ahead of the times. It is therefore imperative that the wine list is continuously updated.

Sparkling Wines

are becoming really popular to drink with spicy dishes.

You may be surprised at this – just try our selection!
